MISSION

P.A.L.S. is a volunteer, community-based organization dedicated to developing and facilitating regularly structured opportunities for citizens with special needs to participate in recreational activities in order to build a community where all citizens are treated with compassion, respect, and inclusion.

Providing Assistance Love & Support

Serving the
communities of
Clinton, Findlay,
Imperial, North
Fayette, and Oakdale

► Our Purpose Is Simple!

We are the **P.A.L.S.** (Providing **A**ssistance, **L**ove, & **S**upport) Group, and we have identified a need to have regularly structured recreational programs for our citizens with special needs.

According to 2009 statistics from the PA Department of Education the West Allegheny School District reported a total of 15% of enrolled students as having a disability. While there are many opportunities for students with special needs to participate in school-based activities, there is a growing need for more community-based opportunities to help our special needs population grow, live, and continue to thrive as independent and productive members of our communities.

It is our hope that you will be part of **P.A.L.S.** by supporting our mission and encouraging family members, friends, and neighbors to get involved by participating in and/or volunteering to help with activities and events throughout our communities.

For more information, please contact a member of our program committee.

Thanks for your support!

Programs for Children

P.A.L.S. kids will have opportunities to participate in activities such as kickball/soccer clinics, swimming, bowling, etc. Children will also have regular opportunities to socialize with age-appropriate peers and volunteer peer-pals during events like arts & crafts, dances, game night, movie night, and other fun occasions.

Face Painting is fun!

Programs for Adults

P.A.L.S. adults, age 17 and older, will have separate opportunities to participate in similar activities. As our program expands we are hoping to offer opportunities for adults to participate in daytime trips to cultural & sporting events and regional points of interest.

Making New Friends!
